All Pepper home loan fixed interest rates are correct as at 24 July 2025 and are subject to change at any time. The actual interest rate applicable will depend on the individual borrower's circumstances. Terms, conditions, fees and charges apply.
*Pepper Money promotion is available for a limited time only for new home loan applications, submitted from 12:01am AEDT 24 July 2025. Offer is not available on existing Pepper home loans. This offer is subject to change, and may be varied or withdrawn at any time.
WARNING: This comparison rate is true only for the examples given and may not include all fees and charges. Different terms, fees or other loan amounts might result in a different comparison rate. All Comparison Rates are calculated based on a secured loan of \$150,000 over a 25 year term.
Comparison rates for variable Interest Only loans are based on an initial 5-year Interest Only period. Comparison rates for fixed Interest Only loans are based on an initial Interest Only period equal in length to the fixed interest rate term. During an Interest Only period, your interest only payments will not reduce your loan balance. This may mean you pay more interest over the life of the loan. Interest only is not available on 7 and 10 year fixed rate terms.
